I am excited to invite you to our 23rd Annual Gala! On June 9th we will transform the Phelps School's Field House into air-conditioned **Enchanted Woodlands**. You can expect a beautiful lush and green space where magic is in the air. Every dollar we raise helps us to prevent women and children in Chester County from experiencing homelessness. Last year, we served 549 women and their children, but there are still so many more in danger of losing their homes.

As a Chester County native, I struggle with the knowledge that there are hundreds of women and children on the brink of homelessness right now. Chester County is the wealthiest in our Commonwealth, but there is another side to our community, one hidden from view, where homelessness is a very real threat. Your sponsorship will help the most vulnerable among us - women and children who exist quietly on the fringes in a constant state of desperation.

We work to change this reality and strive to help more women and children build better futures for themselves. Therefore, we are asking our supporters to consider becoming a sponsor for our 23rd Annual Gala. As an individual sponsor, you can maximize your own impact, be a part of the Home of the Sparrow family and celebrate the spirit of philanthropy with your partner, friends and family.

Together, we can transform lives! Should you have any questions about sponsorships and your potential impact in our community, please don't hesitate to contact our Director of Development, Carolyn McKenna at 610-647-4940 or cmckenna@homeofthesparrow.org. I hope to see you on June 9th in our **Enchanted Woodlands**.

Warm regards,

Michelle E. Venema
Chief Executive Officer
