## **A Global Day Dedicated to Giving Back**

Did you know that government assistance does not cover necessary household items? For women and mothers who are facing homelessness, the cost of essential items such as detergent, cleaning products, diapers and feminine hygiene products can be insurmountable.

**Please help the women and children in our programs and donate necessary household items & store gift cards to create a #WinterWhiteOut on Giving Tuesday, November 27th.**

Home of the Sparrow partners with women and children who are facing or experiencing homelessness in Chester County. Our goal is to address the critical barriers to long-term self-sufficiency and create transformational change in the lives of the women and children we serve.
