#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Pennsylvania Home of the Sparrow Exton, Pennsylvania

We have audited the accompanying financial statements of Pennsylvania Home of the Sparrow (a nonprofit organization), which comprise the statements of financial position as of June 30, 2024 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pennsylvania Home of the Sparrow as of June 30, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pennsylvania Home of the Sparrow and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Home of the Sparrow's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

712 E. Baltimore Pike, Kennett Square, PA 19348 P. 610-444-3222 F. 610-444-9341 E. UWA@UWACPA.COM WWW.UWACPA.COM

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pennsylvania Home of the Sparrow's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Home of the Sparrow's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

#### **NOTE 1 – NATURE OF ACTIVITIES**

Pennsylvania Home of the Sparrow (the "Organization") is a not-for-profit corporation organized under the laws of the Commonwealth of Pennsylvania for the purpose of providing housing, supportive services and educational opportunities for low-income women and children who are facing or experiencing homelessness. The Organization accepts clients who are residents of Chester County, Pennsylvania.

The Organization operates two key programs to prevent women and children from ever experiencing homelessness. The Supportive Housing Program provides rental subsidies combined with intensive case management, allowing families time to become financially stable. The Eviction Prevention Program provides emergency funds to women who have received eviction notices.

The Pre-Senior Bridge Housing program focuses on the transitional housing needs of women between the ages of 55 and 62. The Program provides temporary housing at one of two locations the Organization owns and operates. The Organization also provides case management and increased access to critical benefits and resources, while helping women access permanent, most often senior-subsidized, housing.

The Share Housing Program is an innovative solution that creates affordable housing utilizing existing construction. Homeowners (most often senior women who would otherwise be unable to afford to keep their homes) and home-seekers (women experiencing homelessness or need of affordable housing) work with Program Coordinators through a careful matching process. The Program Coordinators match two women based on applications submitted by both parties. Each participant is subject to a Pennsylvania state police background check and a child abuse clearance.

The Graduate Outreach Program is a continuous service provision, offering an ongoing network of support, counseling, and a continuous line of communication. This program provides support with basic needs, mental and physical health, education, school supplies, holiday programs and children's activities throughout the year.

In 2017, the Organization began a partnership with the Chester County Adult Probation, Parole and Pre-Trial Services Office to provide housing stabilization plans and supportive services for justice-involved women in the Chester County Prison. The goal is to coordinate successful reentry into the community and prevent recidivism and reoffending.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Financial Statement Presentation

Under Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) 958-10-65-1, the Organization is required to report information regarding its financial position and activities according to two mutually exclusive classes according to the existence or absence of donor-imposed restrictions. See Net Assets with Donor Restrictions and Net Assets without Donor Restrictions.

#### Net Assets with Donor Restrictions

Net assets with donor restrictions is the part of net assets of the Organization that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants). Some donors impose restrictions that are temporary in nature, for example, stipulating that resources be used after a specified date, for particular programs or services, or to acquire buildings or equipment. Other donors impose restrictions that are perpetual in nature, for example, stipulating that resources be maintained in perpetuity. Laws may extend those limits to investment returns from those resources and to other enhancements (diminishments) of those resources. Thus, those laws extend donor-imposed restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the same reporting period in which the support is received and recognized.

#### Net Assets without Donor Restrictions

Net assets without donor restrictions is the part of net assets of the Organization that is not subject to donor-imposed restrictions.

#### Cash and Cash Equivalents

For purposes of the statements of cash flows, the Organization considers cash in operating bank accounts, cash on hand and all highly liquid securities purchased with an original maturity of three months or less to be cash and cash equivalents.

#### Promises to Give

Unconditional promises to give are recorded at estimated fair market value at the date in which notification of such promise is received. Unconditional promises to give expected to be collected in less than one year are recorded at their net realizable value. Unconditional promises to give due in more than one year are recorded at the present

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

### Promises to Give (Cont'd)

value of estimated future cash flows using a risk-free rate of return on the date of donation. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Provision for losses on promises to give is made when considered necessary to maintain an adequate allowance to cover bad debts. Promises to give are charged against the allowance when the Organization determines that payments will not be received. As of June 30, 2024 and 2023, the Organization estimates that all of its promises to give are collectible; accordingly, there is no provision for an allowance for doubtful accounts.

#### Investments

Investments in marketable securities are carried at fair value in the statements of financial position. Unrealized and realized gains and losses are included in the change in net assets in the accompanying statements of activities.

#### Donor-Restricted Endowment Fund

A Donor-Restricted Endowment Fund is an endowment fund that is created by a donor stipulation requiring investment of the gift in perpetuity or for a specified term. Some donors or laws may require that a portion of income, gains or both be added to the gift and invested subject to similar restrictions. The Organization's endowment fund is managed by the Chester County Community Foundation. Up to 5% of the investment value at year-end may be used to fund the ongoing future operations of the Organization.

#### Property and Equipment

Property and equipment are stated at cost. Acquisitions in excess of \$2,500 are capitalized. Donations of property and equipment are recorded as support at their estimated fair value at the time of donation. Property and equipment are depreciated using the straight-line method over their estimated useful lives as follows: buildings and building improvements - 30-39 years, equipment and fixtures - 3-7 years.

#### **Revenue Recognition**

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Grant revenues are recognized when received or when spent, whichever occurs first. Contributions are recorded at fair value, which is net of estimated uncollectible amounts. Revenue from fundraising events and other functions is recognized as earned having applicable costs concurrently recognized. Investment income is recognized as earned.

### NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

#### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

#### Revenue Recognition (Cont'd)

The Organization recognizes revenue when it satisfies a performance obligation by transferring control of a promised good or service to the customer. The Organization's principal activities resulting in contracts with customers are program fees and special events.

The performance obligation related to program fees is to provide the customer (residents) with access to housing as part of a comprehensive plan for support, which includes intensive case management, budgeting education, and other services such as access to mental health counseling, or one time aid for program residents such as car repairs. The Organization uses two owned properties, one in West Chester and a second in Coatesville. The residents who live in these properties pay program fees monthly. There is no formal lease agreement in place and rent is not charged in either location. Program fees are assessed to each resident. The transaction price is based on a sliding scale and is 30% percent of a participant's income and typically ranges from \$200 to \$550 per month. The Organization recognizes revenue from program fees over the period services are provided.

The performance obligation related to special events is to provide the customer with the access to the event on a specified date. The transaction price is based on published rates. The Organization recognizes revenue from special events in the period the goods and services are provided.

Because the benefits received from program fees and special events have an original expected duration of one year or less, the Organization has elected the practical expedient and not disclosed the value of unsatisfied performance obligations and expected timing for completion related to the revenue.

#### **Donated Materials and Services**

Donated goods are recorded at their estimated fair value as of the date of donation.

The Organization enjoys a vibrant volunteer program. Its 12-member Board of Directors serve as a governing board, as well as the Organization's principal fund raisers. All board members serve on at least one of the Organization's standing committees, which include governance and nominating, finance and development. All board members contribute to the Organization's annual appeal.

In addition, community volunteers serve on special event committees, complete necessary maintenance and repairs on the Organization's residences, assist clients with childcare and transportation, and perform clerical tasks in the administrative office.

## NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2024 AND 2023

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

#### Donated Materials and Services (Cont'd)

As part of the Organization's volunteer program, local community members, service clubs, church groups and corporations complete maintenance, repair and landscaping projects at the Organization's two residences. In many cases, these individuals and groups donate funds to offset the cost of these projects. Funds received from these sources are recorded as contributions without donor restrictions.

Accounting standards require that only volunteer services that (1) create or enforce longlived assets or (2) require specialized skills provided by individuals possessing skills that would typically need to be purchased if not donated must be recorded. The Organization does receive some donated services that meet this criteria. Those services are recorded at estimated fair market value at the time the services are rendered.

Management estimates that approximately 1,269 and 475 hours have been contributed in the years ended June 30, 2024 and 2023, respectively.

#### Advertising Costs

The Organization expenses advertising costs as they are incurred. Total advertising costs for the years ended June 30, 2024 and 2023 were \$13,528 and \$5,500, respectively.

#### Leases

The Organization determines if an arrangement is or contains a lease at inception. Leases are included in right-of-use (ROU) assets and lease liabilities in the statements of financial position. ROU assets and lease liabilities reflect the present value of the lease payments over the lease term. The Organization does not report ROU assets and lease liabilities for its short-term leases (leases with a term of 12 months or less). Instead, the lease payments of those leases are reported as lease expense on a straight-line basis over the lease term.

### Allocation of Functional Expenses

The costs of providing the program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated between the program and supporting services. Housing and education program costs include utilities, supplies, rent expenses, and education expenses to provide a support network and family services. Fund-raising expenses are costs related to campaigns, development, grant writing, and other fund-raising efforts. Management and general expenses are costs directly related to the overall operation of the Organization, which are not associated with program or fund-raising services. Certain management and

### **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)**

#### Allocation of Functional Expenses (Cont'd)

general expenses, such as payroll, employee benefits and payroll taxes, are allocated to program and fund-raising based on the employees' use of their time.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Income Tax Status

The Organization is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and similar state provisions. The Organization is not classified as a private foundation.

#### **Reclassifications**

Certain reclassifications have been made to the 2023 financial statement presentation to correspond to the current year's format. Net assets and changes in net assets are unchanged due to these reclassifications.

### Date of Management's Review

The Organization has evaluated those events and transactions that occurred after the statement of financial position date of June 30, 2024 through September 30, 2024, the date which the financial statements were available to be issued, and determined there were no other items to be disclosed.

As part of the Organization's liquidity management, it has a goal to maintain cash and short-term investments on hand to meet six months of normal operating expenses, which are on average approximately \$750,000. In addition, any cash in excess of daily requirements is invested in short-term investments, certificates of deposit, or money market funds. To help manage unanticipated liquidity needs, the Organization also could draw upon a \$150,000 line of credit. Management evaluates, at least annually, any additional investment or designated reserve options for excess liquidity, based on expected operations.

### NOTE 4 - CONCENTRATION OF CREDIT RISK FOR CASH HELD IN BANK

Custodial credit risk is the risk that, in the event of a bank failure, the Organization's deposits may not be returned to it. The Organization maintains cash and cash equivalent balances at several local financial institutions. Deposits in each bank are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Organization's money market accounts are covered under the Securities Investor Protection Corporation (SIPC) up to \$250,000. Uninsured balances were \$117,446 and \$310,229 at June 30, 2024 and 2023, respectively.

#### NOTE 6 – FAIR VALUE OF FINANCIAL INSTRUMENTS

In accordance with the Fair Value Measurement Topic of the FASB ASC, assets that are measured at fair value are categorized according to a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, giving highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to measurements involving significant unobservable inputs. If the inputs used fall within different levels of the hierarchy, the categorization is based upon the lowest level input that is significant to the fair value measurement.

The three levels of the fair value hierarchy are as follows:

- Level 1 Unadjusted quoted market prices for identical assets and liabilities in active markets.
- Level 2 Unadjusted quoted market prices for similar assets and liabilities in active markets (other than those included in Level 1), which are observable for the asset or liability, either directly or indirectly.
- *Level 3* Significant unobservable inputs for the asset or liability.

The availability of observable inputs can vary from instrument to instrument and is affected by a wide variety of factors, including, for example, the liquidity of markets and other characteristics particular to the transaction. To the extent that valuation is based on models or inputs that are less observable in the market, the determination of fair value requires more judgment.

The following table presents assets that are measured at fair value on a recurring basis at June 30, 2024:

	Lev	el 1	Level 2	L	evel 3	Total
Certificates of deposit Beneficial interest in	\$	-	\$ 209,927	\$	-	\$ 209,927
